

Coaches & Golfers

This tournament will follow USGA rules.

This is an 18-hole stroke play event. Each team is made of 5 players and the 4 best scores will be used in the team total score. Max score will be double par on each hole. We will be playing the “local rule” for lost balls and/or OB. For all other specific course rules, please check with the clubhouse or the scorecard. If you have questions regarding a ruling while on course, find a coaching group and ask for assistance.

We will be using scorecards to keep score (no electronic scoring) and each member of a group will keep score for another member of their group.

The coach tournament will be a 2-person “Scramble” format. Each partner tees off on every hole. After the initial tee shots, the team selects the best shot and then each partner plays their next shot from that spot. This continues throughout the rest of the shots on the hole including putting. A player is allowed to place the ball within one club length of the spot of the best shot, but not nearer to the hole (1/2 grip length on green). This scramble will be played as stroke play event with the team with the lowest cumulative score after 18 holes winning.

High Schoolers will play from the Black Tees. Male coaches will play from the Gold Tees. Senior Coaches (55+) and Lady Coaches/Athletic Directors may play the Silver Tees.

Good luck, play well and have fun!

A nutrition bar, apples & Gatorade will be available prior to the round. After the round there will be hotdog dinner and medal ceremony.
