

# Today's Topics:

Career Technical Education  
and  
Dual Enrollment Pathways

# What are CTE and DEP courses?

- Exploring and delving into specific career sectors
- Scheduled into the school day
- Part of your high school transcript
- Must commit for the year or full pathway series
- **NOT** the same as dual enrollment course(s) outside of the school day
- Registration completed with high school counselor

# Career Technical Education

- on FUHSD campuses
- high school course
- part of HS schedule
- 2 periods for travel
- high school credits
